

MAITROVA

Return & Refund Policy

Visit our official website: www.maitrova.in

1. Return Eligibility (10-Day Policy)

Returns must be requested within 10 days of delivery through our website return request form, live chat support, or email.

2. Inspection & Approval

All returns are subject to admin inspection. Refunds are approved only if the product is unused, unwashed, undamaged, and in original condition with tags intact.

3. Return Shipping Charges

If fabric or manufacturing defect is verified, Maitrova bears shipping charges. For size, color preference, or change of mind, customer bears return shipping cost.

4. Non-Returnable Products

Customized, personalized, event, and bulk orders are non-returnable unless manufacturing defect is verified.

5. Print & Heat Press Issues

Printing defects must be reported within 48 hours of delivery. Admin will validate and take final decision.

6. Wash Care Policy

Damage due to hot water washing, ironing directly on print, harsh detergents, or high heat drying voids refund eligibility.

7. Product Tolerance Disclaimer

Color variation due to lighting/screen differences is not a defect. Size variation ± 0.5 to 1 inch is acceptable. Minor DTF heat press marks are not manufacturing defects.

8. Hygiene Condition

Worn, washed, perfume-smelling, stained, or altered products are not eligible for return.

9. Refund Processing

Approved refunds are processed within 5–7 business days to the original payment method. COD refunds require bank details.

10. Final Decision Authority

All return approvals and rejections are subject to Maitrova's internal quality verification process.
